

Use of Work Boat

Dated	01.07.2014
Review Date	01.07.2015

Hazard

General use of the work boat

Actions to Minimise Risk

The work boat is only to be used under the supervision of an experienced club member

A shore based member of the club should be made aware of the operation, the times of departure and return to the mooring

See “Useful Contact Sheet” for telephone numbers

All occupants of the work boat must wear life jackets.

No working to be carried out in adverse weather conditions.

When in use the work boat must carry the following;

Anchor and cable

Oars

VHF radio

Boat hook

Spare outboard engine

Spare fuel

Compass

After use the log book must record the reason for use, the engine hours run and include crew names involved
